—It is the intention of the members of the M. E. church of the German Society, near the Nodaway to have a basket meeting in connection with their 4th quarterly meeting at Mr. J. —A distressing accident occurred upon the farm of Philip Davis in the bottom south of Fortescue last Thursday, which came near costing a bright little boy his life. Mr. Davis was at work in the field with a mowing machine, mowing hay; his little six year old son was playing about in the field near by, and as the little fellow sat afterwards, hid himself in a bunch of alders "to scare papa". The mowing machine ran onto the boy before Mr. Davis discovered him, and it cut one of the little fellow's legs off. Mr. Davis carried the boy to the house, and as the wound was very deep, he called for medical aid, and everything in human power was done for the unfortunate little boy. Although the weather is so hot, it is thought with the careful nursing which he is sure to have that the little boy will get well. Mr. Davis is a son-in-law of Henry Minton, and the accident has cast a gloom over the entire community. The little boy's shoe was picked up in the field after the accident had occurred, and the little foot was still in the shoe.
